The Communist Manifesto Citation			Textual Notes	My Reflection(s)
Citation Number	Page(s)	Line(s)		
1	3	14-15	The Paris Insurrection was the first great battle between the proletariat and bourgeoisie	I wonder where and when previous "minor" insurrections occurred
2	5	24-27	The Prussian police "hunted down" and imprisoned the Central Board of the Communist League	Why were they arrested – was it for solely claiming communist beliefs
