TOPEKA HIGH SCHOOL

FALL 2009

INSTRUCTOR: *Sam L. Schumann*

## **Your Prince project is due at the beginning of the hour on November 24, 2009 whether you are in class or**

**not.** If it is not turned in by that time you will get a **zero** for it. If you come late to class or bring it later in the day you will get a **ZERO**. Even if you have an excused absence you will get a **ZERO**. *The Prince* is a long term assignment; you have had almost 3 months to work on and complete it. Class policy states that on long-term assignments that could have been turned in early that you can get a zero if it's not turned in at school at the assigned time. So, don't stay at home working on it at the last minute and don't tell me (Mr. Schumann) that your computer isn't working or that your printer broke, etc. I have no heart. I have no sympathy. I have no soul.

I am pure concentrated evil. 100%. About this there is no doubt. **You must turn it in (or give it to someone you trust to step up and turn it in for you) by the beginning of your class time on November 24, 2009, or it is a zero.**

—*Mr. Schumann*
